Declaration of Conformity for CE

TO: Distinguished customers

We hereby declare that all Malak brand batteries Model: CR1220 sold by our company comply with the EU CE standards. Our products have passed the IEC60086-4 test, meet the EU Battery Directive (2023/1542), comply with the Rohs Directive and the REACH Regulation (for the REACH Regulation, please refer to the explanatory letter of Annex DME).

Hereby declare!
